

# EXPOSURE CAMP

## Expose Yourself To The Power Of New Media

Learn how you can use technology to:

- \*create your own talk show
- \*web show
- \*publish a book
- \*Show off your artwork, writing, creativity

Learn how social media can give you a voice to express your concerns and create change!

Meet other teens to collaborate and partner on projects.

Create a digital footprint that will help you start a business, get an internship, or give you the upperhand in getting into the school of your choice

Learn about careers in technology  
Q&A with an industry professional

Expose yourself to something new, meet new people and grab a snack.
